(ii) Miss Willie B. Burks, Claim number 12753

Description of basis for the amount of the claim is for the cost of the removal of the asbestos from my home (personal residence) and replacement cost of repairs after the removal of the asbestos and the clean up cost and removal from my property.

(iii) The claim number of the claim objection to which this response is directed is number 10.

(iv) The specific factual basis and supporting argument upon which I am relying on in opposing the Second Omnibus Objection is The asbestos on the exterior and interior of my home is a health hazard to me, my family and all that visit my home, and it has been for over 26 years. It need to be removed now. The longer it's there the more problems and harm it's causing. I filled out the claim form. Send me a list of the documentation you need. My claim should be approved to get rid of the asbestos and the health hazard it's caused and is still causing.

(v) I didn't receive the letter in time to take pictures of the asbestos on and in my home to send. Contact me Miss Willie B. Burks, 141 Jenkins Dr, Savannah, Ga 31405, 912-692-1184.

Sincerely yours,
Miss Willie B. Burks
